|---|-------------------------|------------------|--|
| <b>Goal: Increase Part C visibility through strategic collaborations and effective partnerships among national organizations and professionals to impact policies affecting young children and families</b> |                         |                  |  |
| <b>Strategy 1: Conduct regular ongoing communication with OSEP</b>  |                         |                  |  |
| <b>Activity</b>   | <b>Needed Resources</b> | <b>Timelines</b> | <b>Person(s)/Committee Responsible</b> |
| 1. ITCA Board meet with OSEP in person 1-2x/year  |                         |                  |  |
| 2. President and selected Board members schedule conference calls with key OSEP personnel   |                         |                  |  |
| 3. Member feedback on documents/policy/regulations  |                         |                  |  |
| 4. Identify other strategic early childhood efforts/programs and determine level of collaboration possible  |                         |                  |  |
| <b>Strategy 2: Increase the ability of the membership to represent the interests of State Part C systems in national projects, grants, advisory committees and initiatives.</b>                             |                         |                  |  |
| <b>Activity</b>   | <b>Needed Resources</b> | <b>Timelines</b> | <b>Person(s)/Committee Responsible</b> |
| 1. Identify affiliations/collaborations/key areas of interest of state members in order to assist state members in assisting ITCA State/National efforts  |                         |                  |  |
| 2. Target specific state members based on location of the meeting/event or topics to represent Part C   |                         |                  |  |
