

# Resumption of In-person Visits

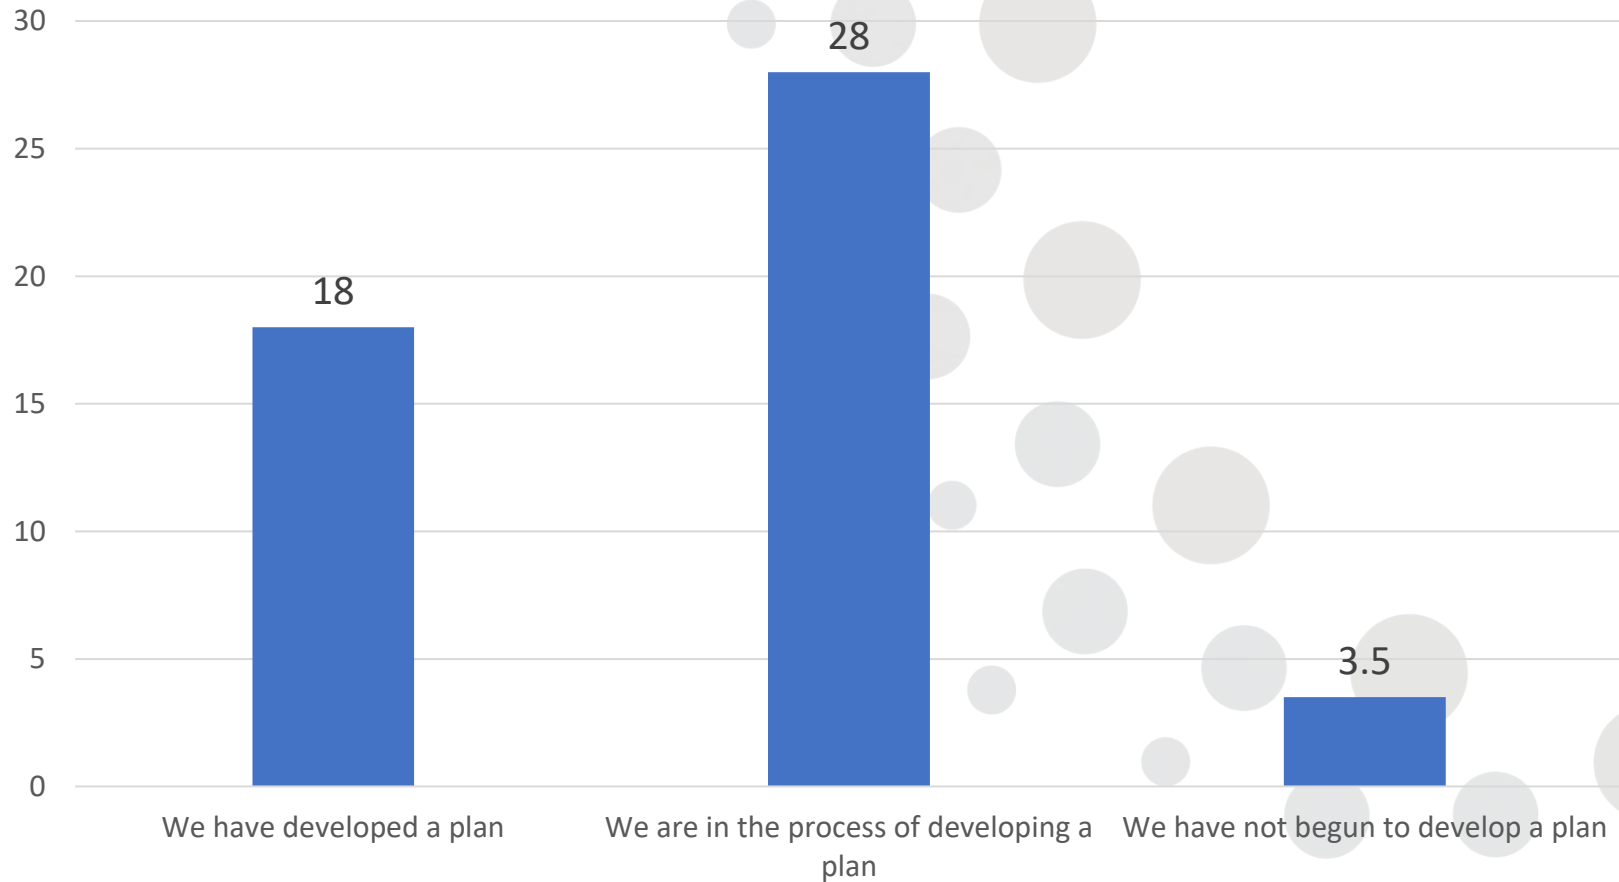

COVID-19 Survey

June 2020

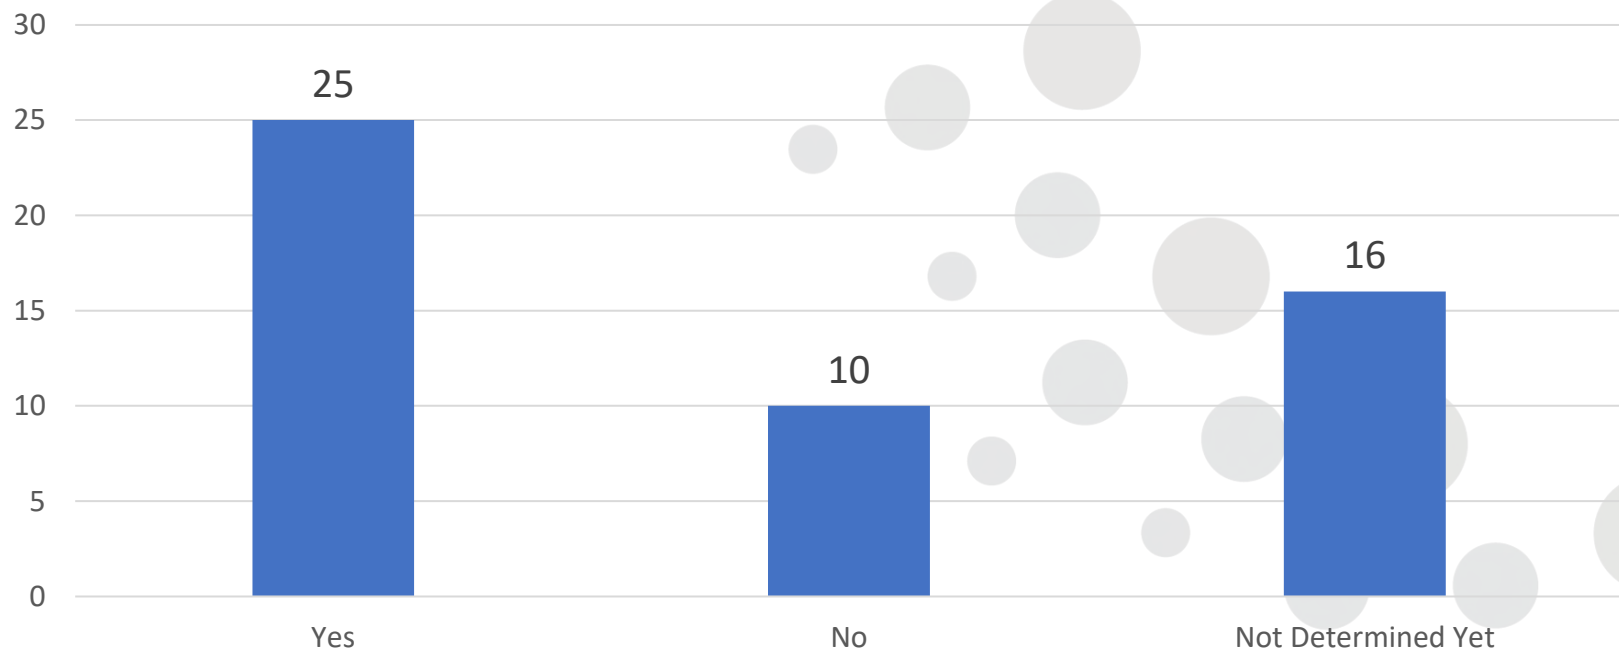

# Q1. What is the status of in-person services at the present time

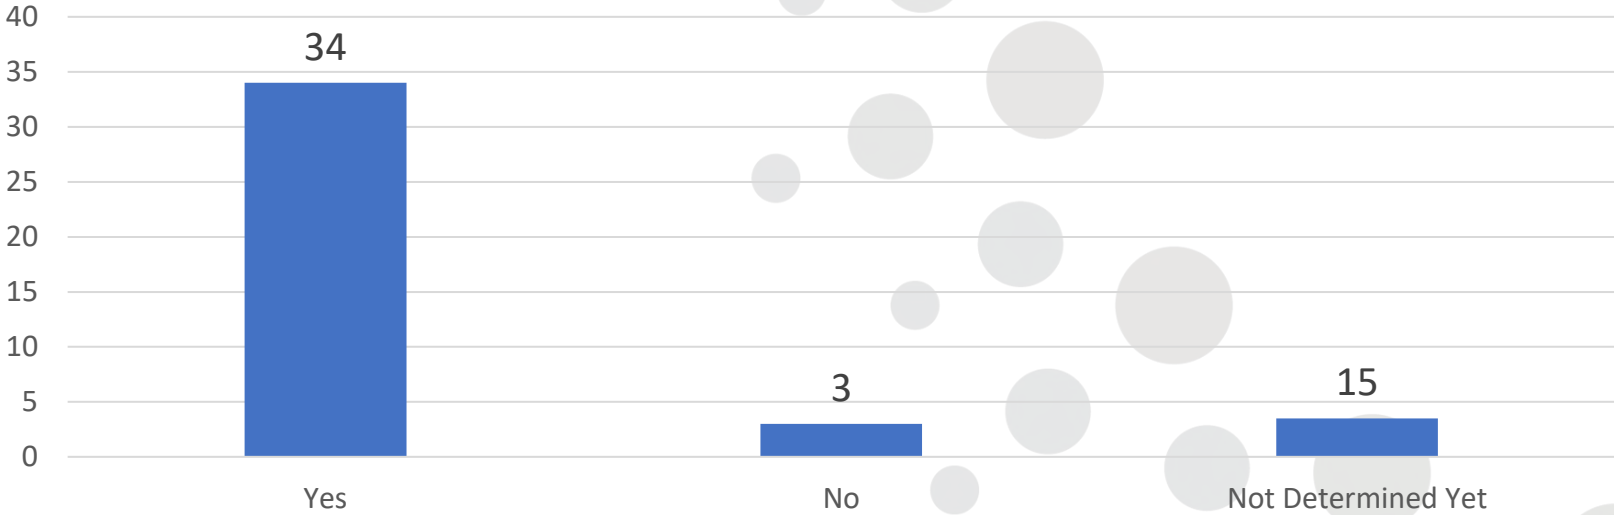

# Q2: Have you developed a plan for returning to in-person visits?

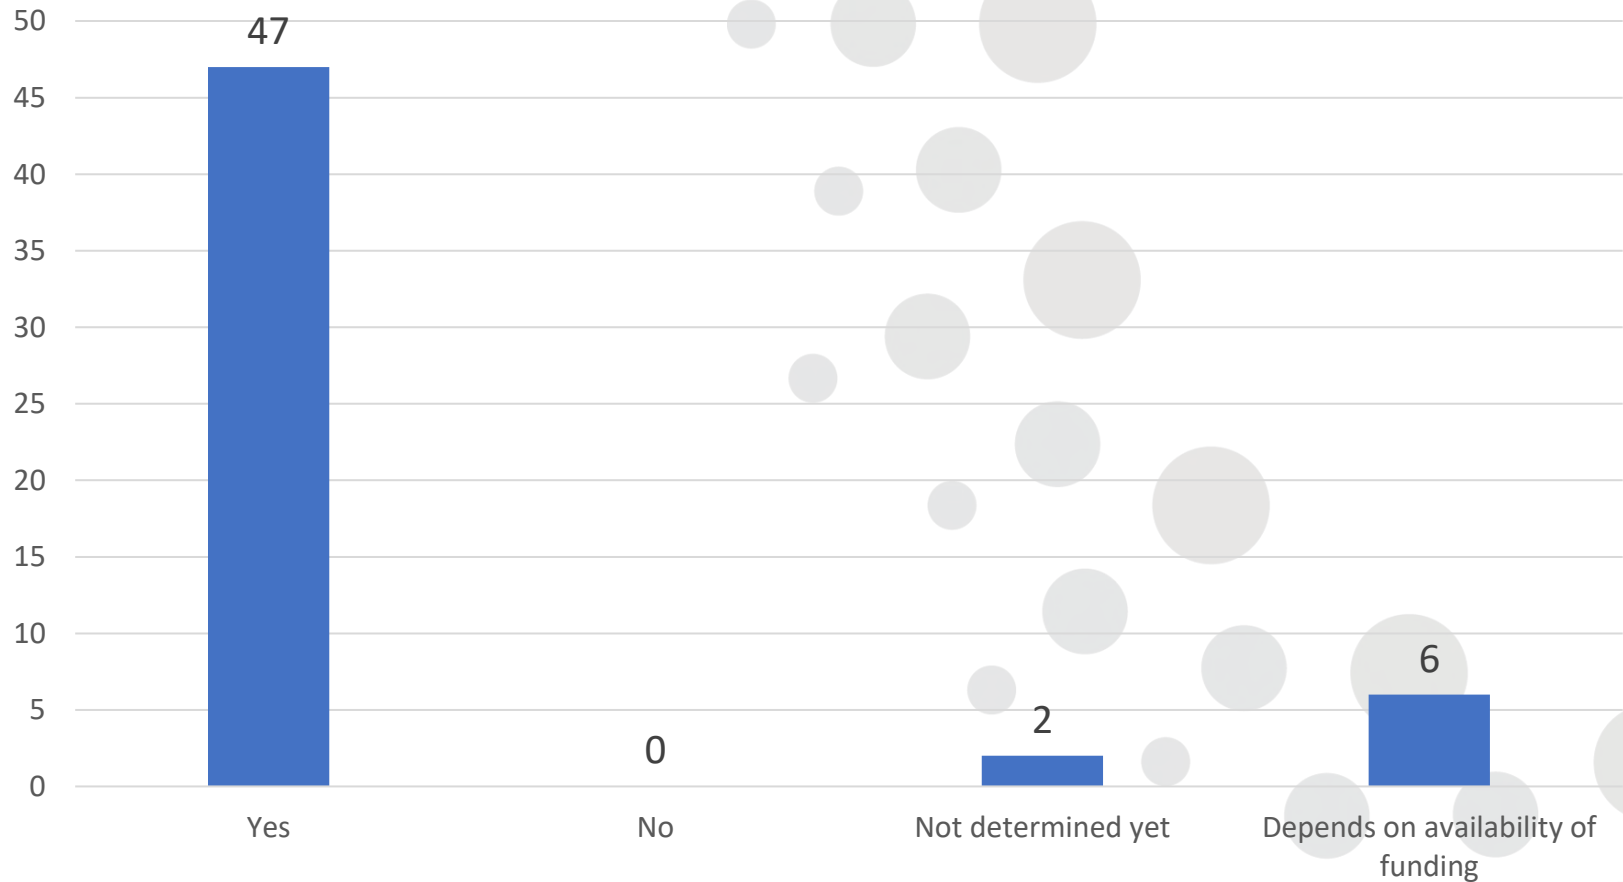

# Q3. Does your plan include the possibility that some regions of the state may start in-person services and other parts of the state will remain closed?

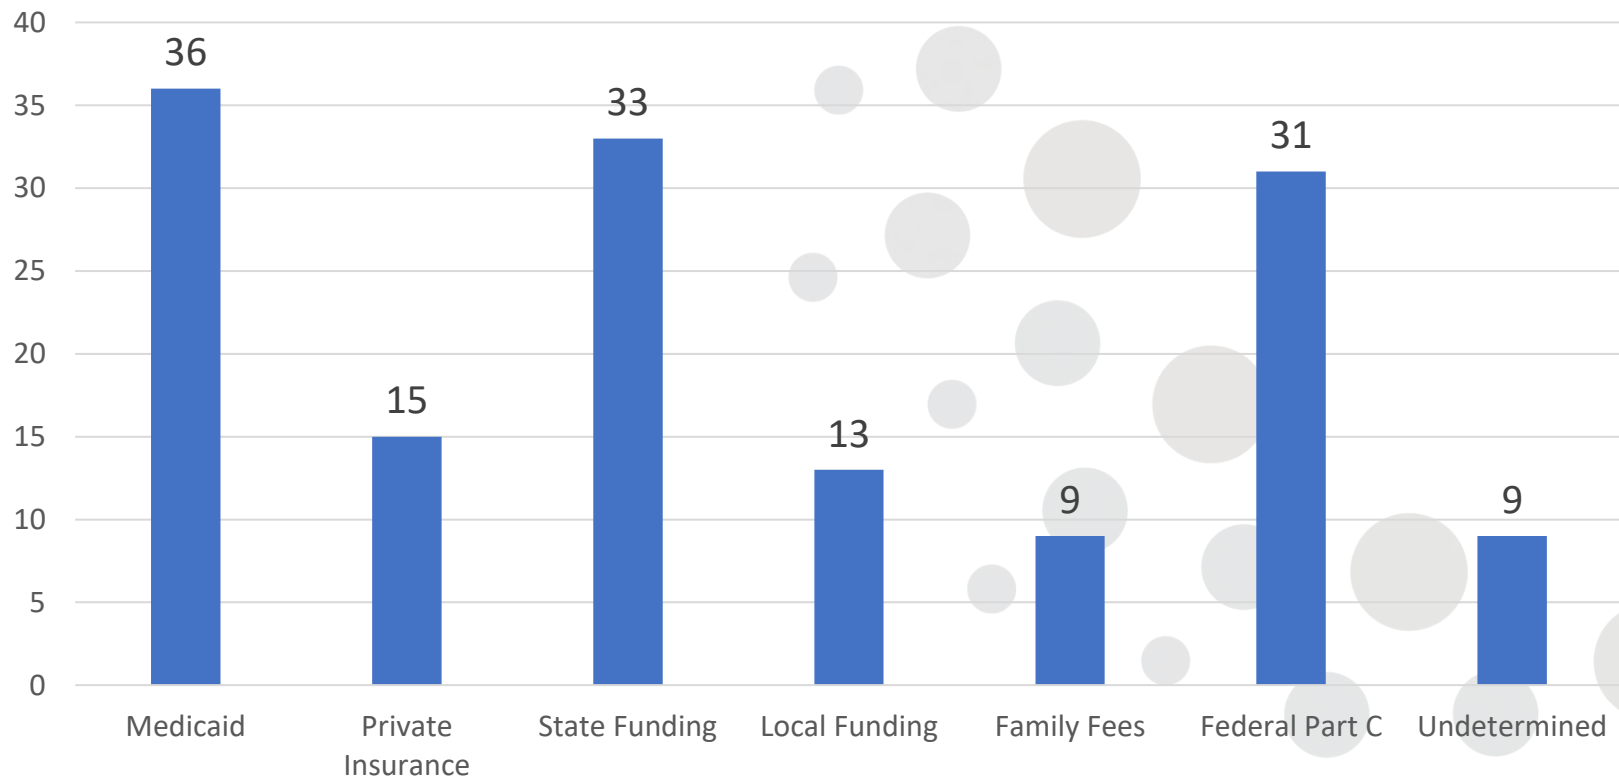

# Q4. Does your plan include the possibility of providing in-person services in alternate settings other than the family's home?

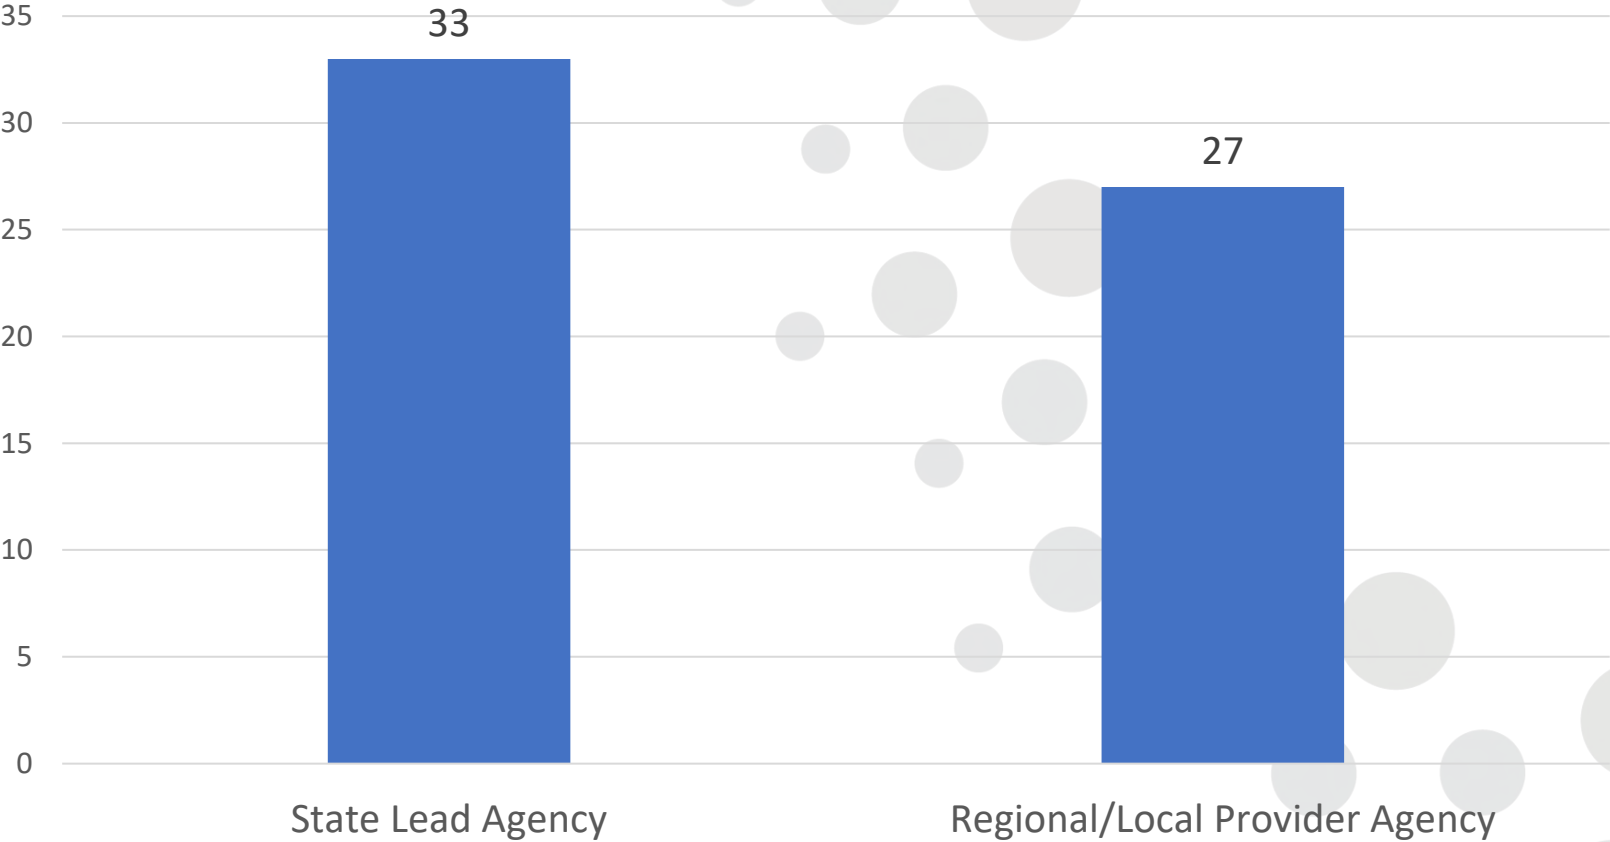

# Q5. Does your plan include continued use of telecommunications?

# Q6. If you will continue to provide services through telecommunication, how are you paying for them?

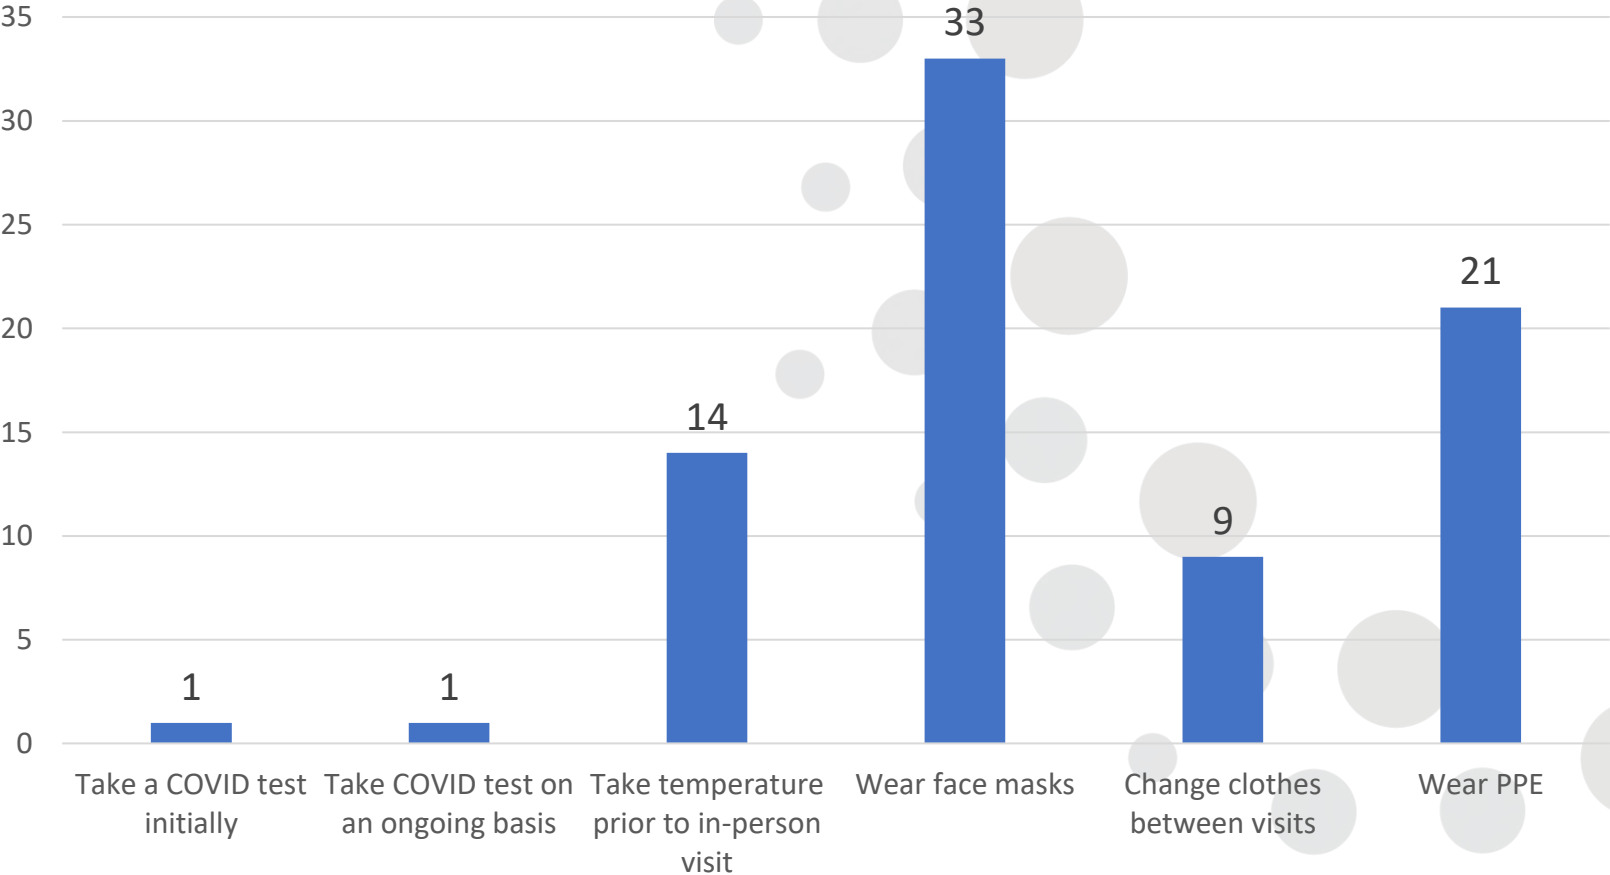

# Q7. At what level will the decision regarding returning to in-person visits be made?

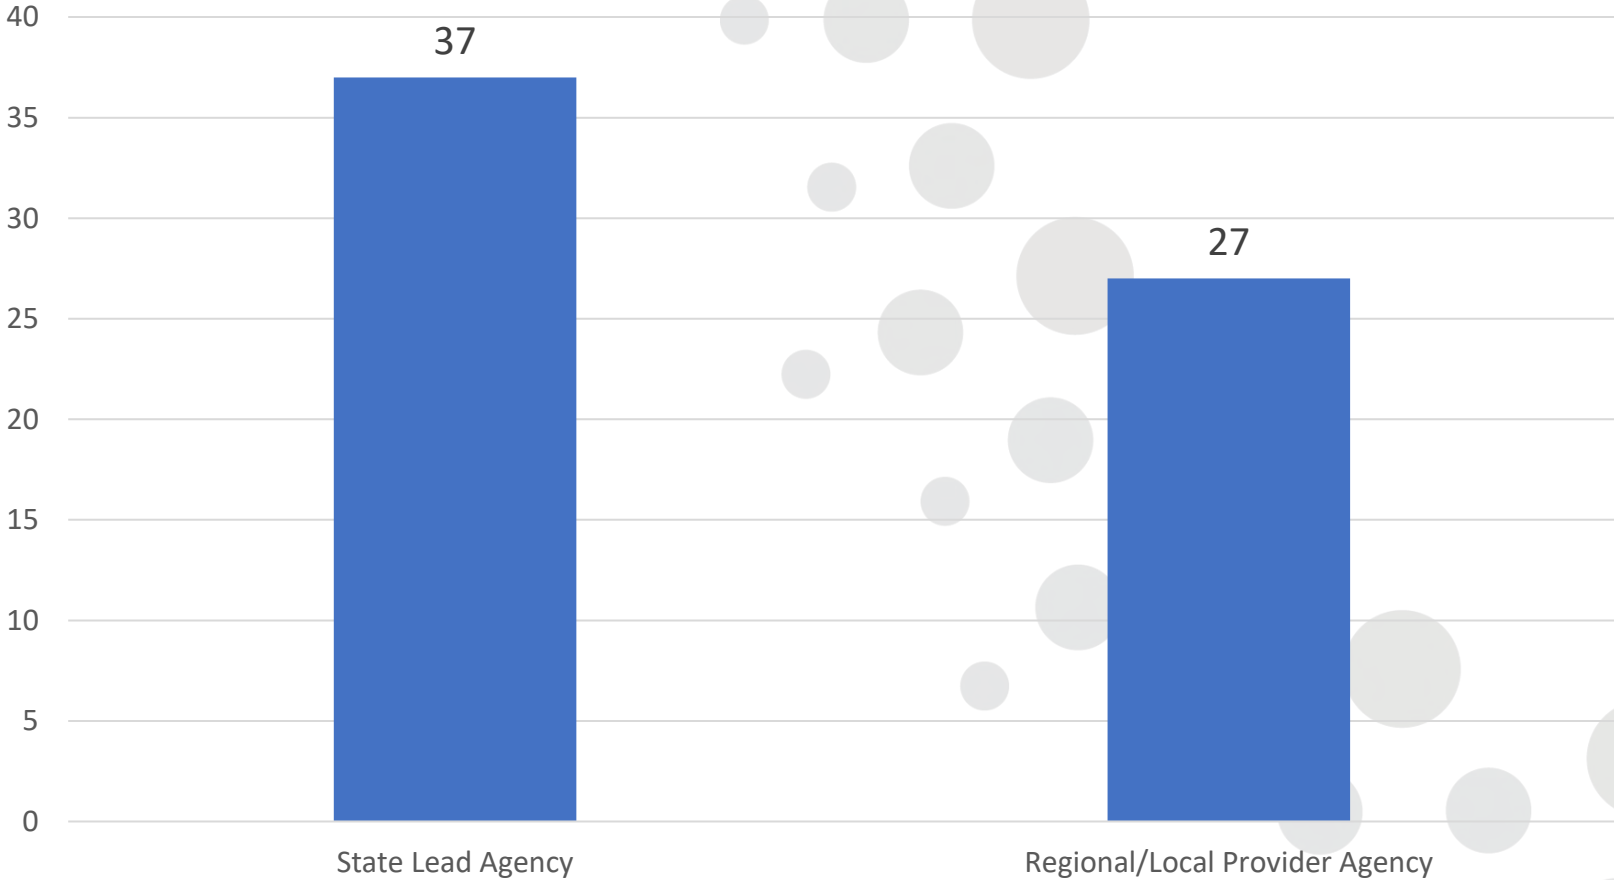

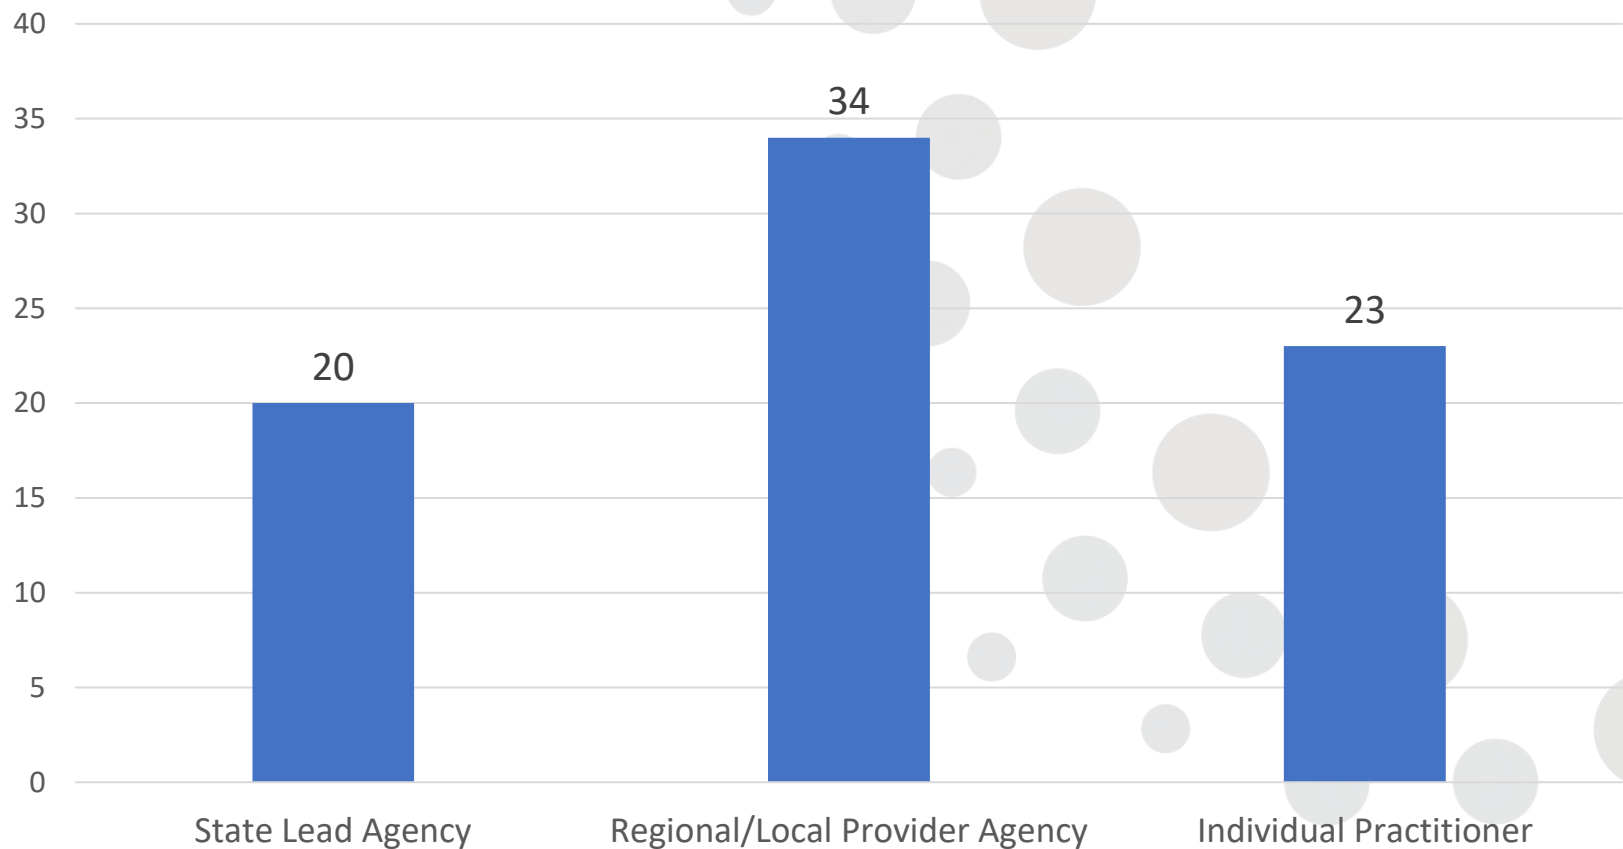

# Q8. When in-person services resume, what will providers be required to do?

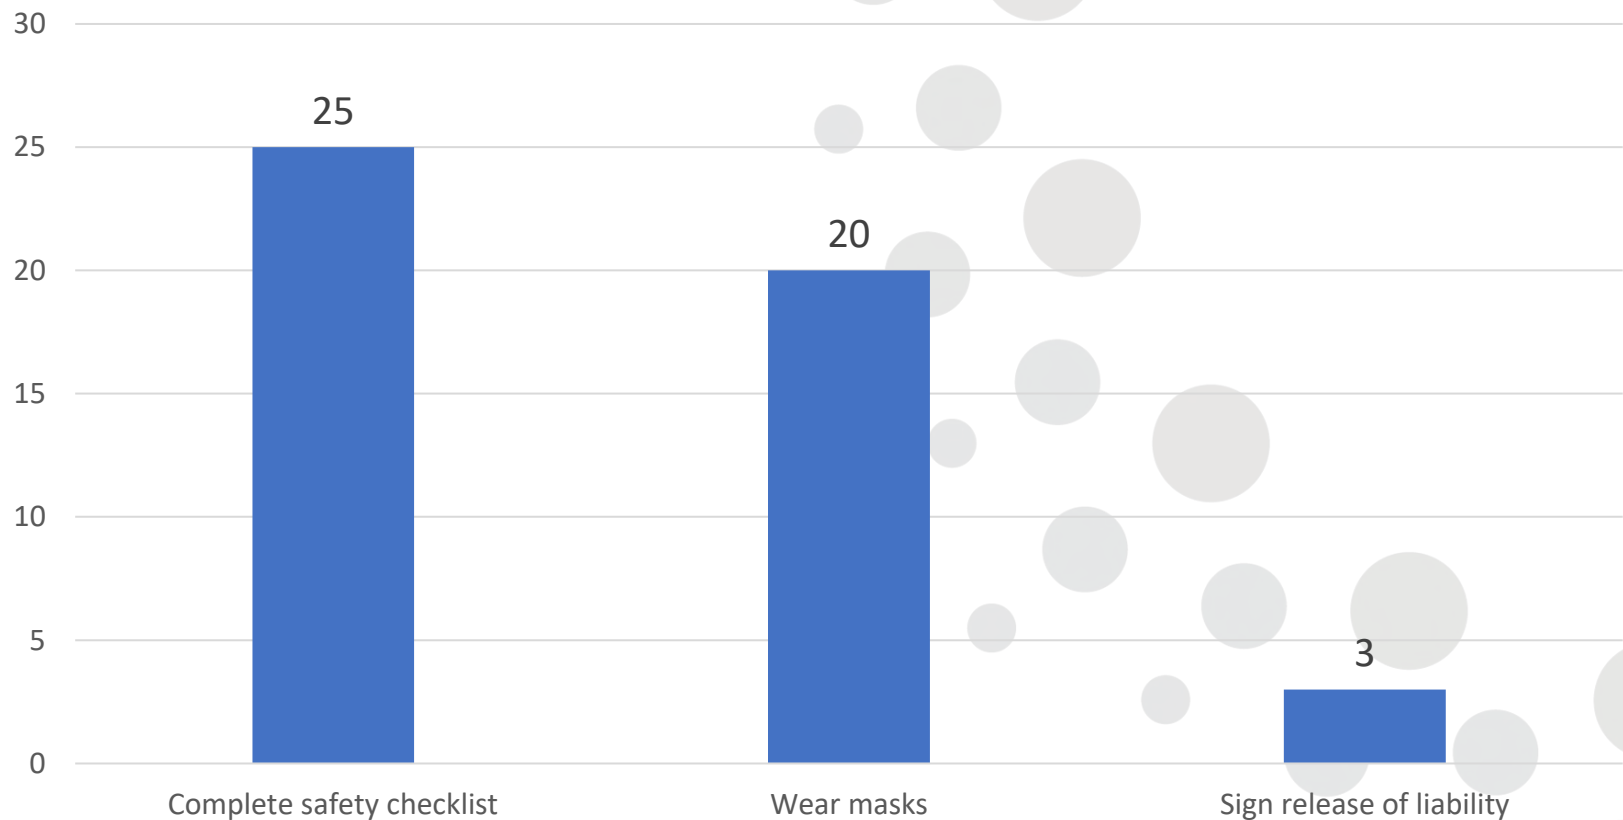

# Q9. At what level will the decision regarding provider requirements happen?

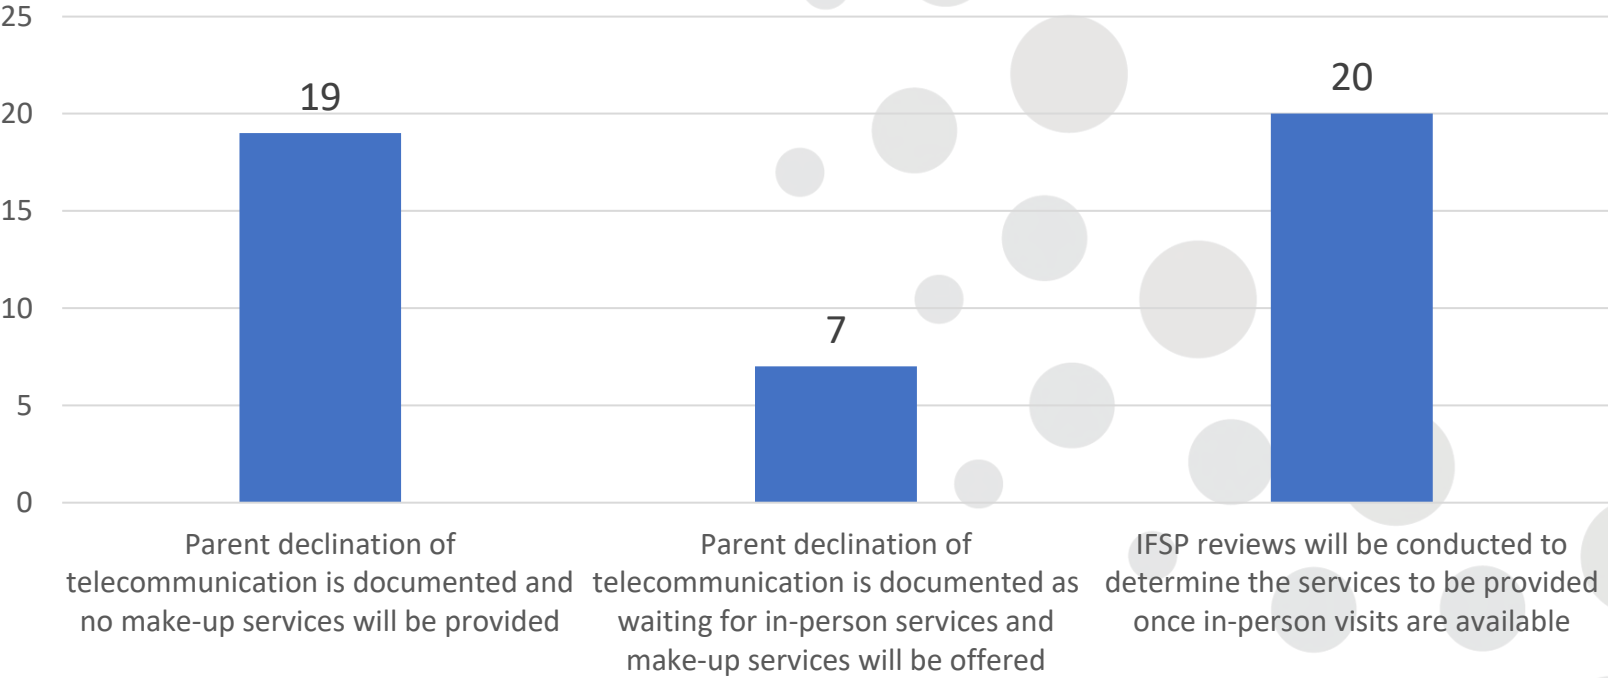

# Q10. Who will be responsible for the costs of provider requirements?

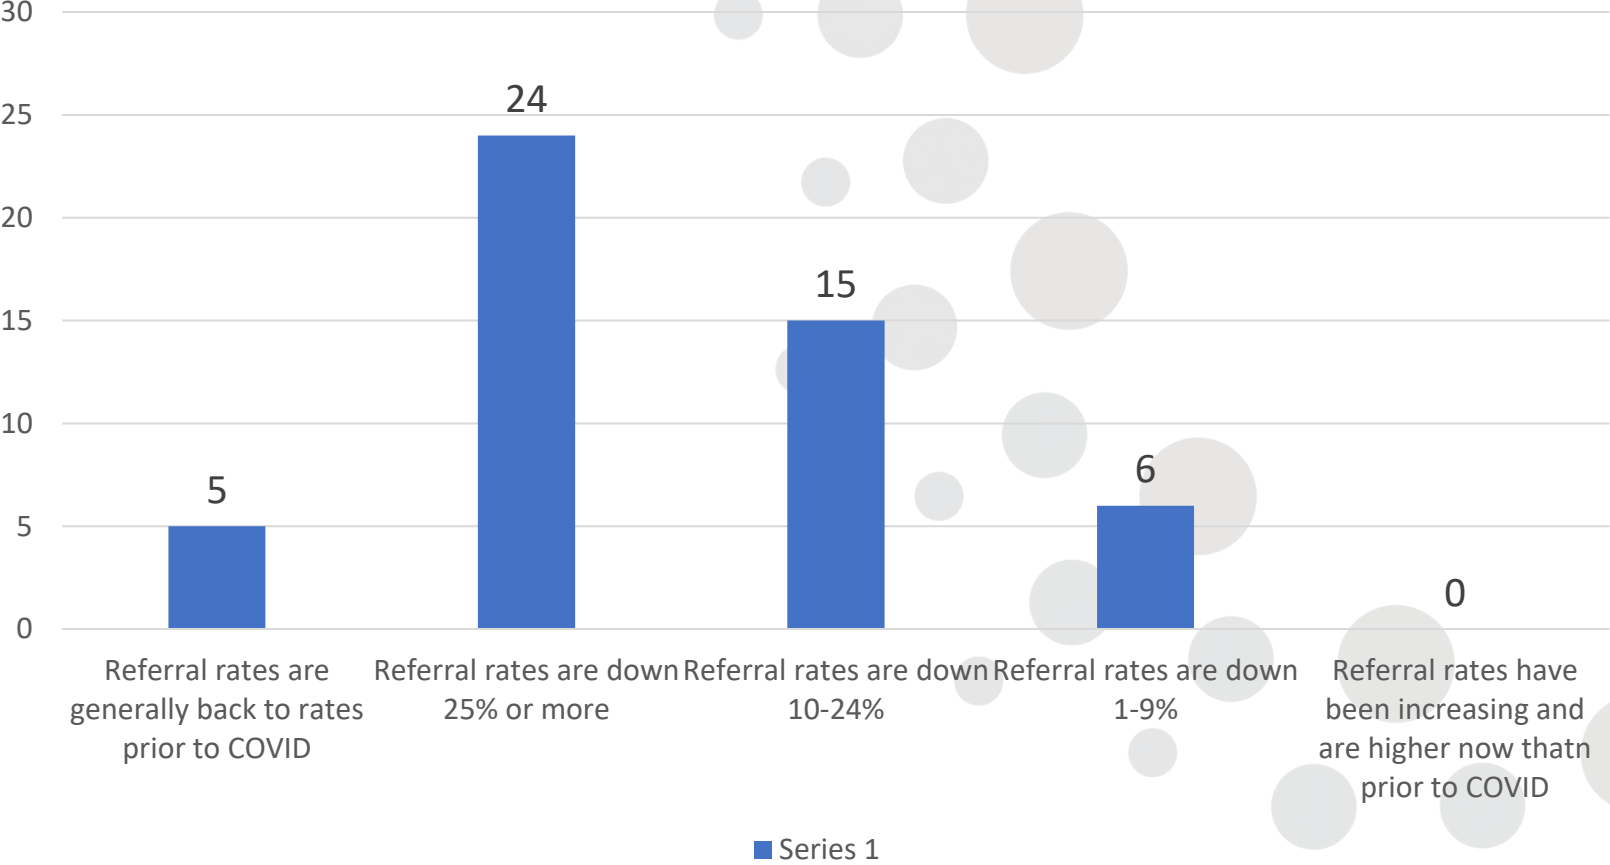

# Q11. What will families be required to do when in-person visits resume?

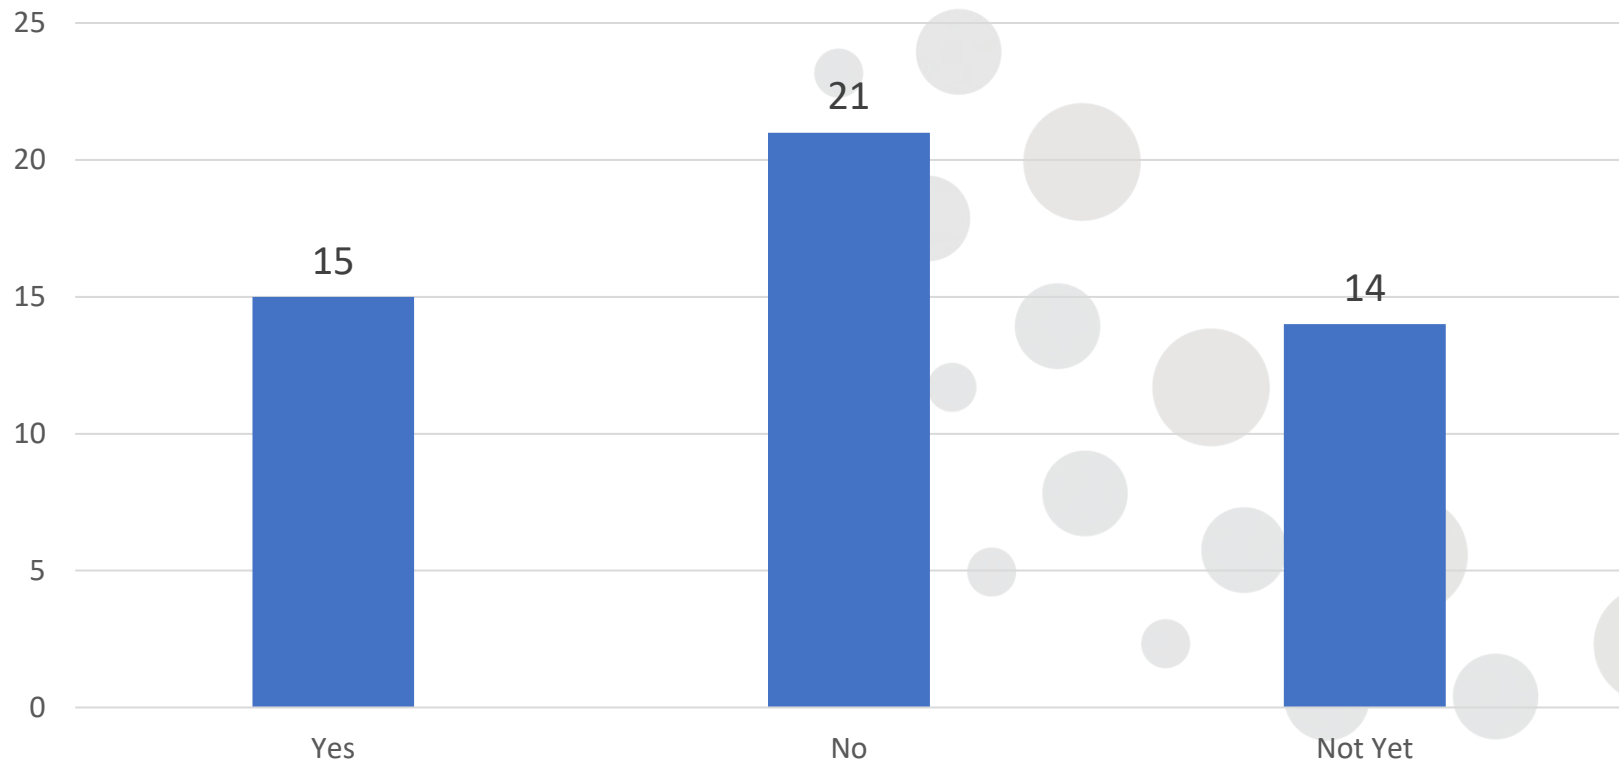

# Q12. If parents opted not to accept telecommunication services, how will your state address the possibility of make-up services?

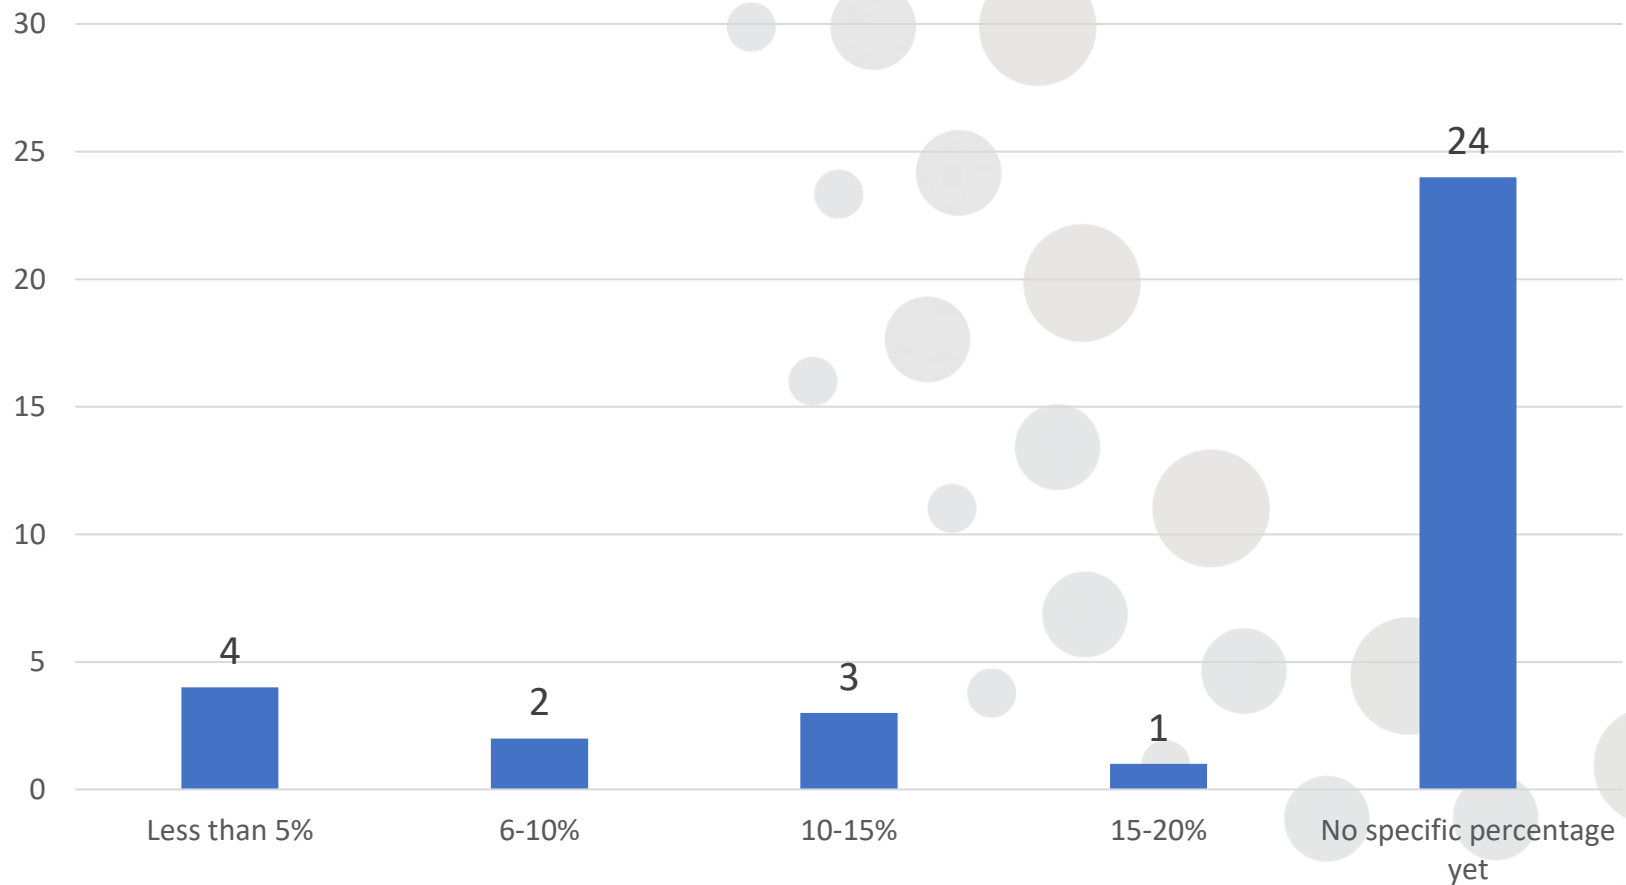

# Q13. How does your referral rate now compare to the referral rate prior to COVID?

# Q14. Have you been told that you will need to cut your budget for the coming fiscal year?

# Q15. What percent cut will you be required to make?

# Q16. Will your state have difficulty expending all federal Part C FFY 2018 funds before September 30, 2020?
